Scholarship Conditions

Applicants who meet the scholarship eligibility criteria may apply for one or more of the available scholarships.

Scholarship recipients who have accepted a scholarship are ineligible to apply for any other scholarship rounds. Applicants who are not offered a scholarship are welcome to apply to future scholarship rounds subject to eligibility criteria being met.

EQUALS reserves the right to reduce the value of a scholarship if there are less than the required number of applicants in any given round.

The scholarship covers tuition fees and does not include OSHC, Student Services or Amenities Fees, Accommodation, Text Books or any other costs associated with living and studying in Australia.

Scholarship recipients must comply with all rules, regulations and academic expectations. Failure to do so may result in formal counseling and/or cancellation of the scholarship.

The scholarship is not open to students already studying at the EQUALS International Institute. The scholarship amount will be credited to the final tuition payment.

The awarding of the Scholarship payment depends on the student paying the balance of any student fees by the due date. Students who do not pay the balance of fees by the due date or who do not abide by the agreed payment plan will forfeit the right to their scholarship.

Scholarship recipients are required to complete their studies in the normal or nominal fulltime course duration period. Failure to do so may result in tuition and other charges being applied, and the recipient may forfeit their scholarship benefits.
